GSX Group Cookies Policy

We use cookies on our websites (our website, or our websites) for a number of purposes. They help us to provide you with a good experience when you browse our website and allow us to improve our site. By continuing to browse the website, you are agreeing to our use of cookies.

1. WHAT ARE COOKIES, WHY AND HOW WE USE THEM

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

Strictly necessary cookies. These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of the e-billing services.

Analytical/performance cookies. They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users find what they are looking for easily.

Functionality cookies. These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Targeting cookies. These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them below. We do not use all cookies on all of other websites.

 A cookie is a small file placed onto your device that enables GSX Group websites features and functionality.

You can find out more information about cookies at www.allaboutcookies.org.

Cookies enable us to identify your device, secure your access to GSX Group Accounts Centre website, and even help us know if someone attempts to access your account from a different device. Cookies also enable you to easily share content.

We use cookies on our site. Any browser visiting these sites will receive cookies from us.

2. CATEGORIES OF USE/DESCRIPTION

Authentication

If you're signed in to GSX Group websites, cookies help us show you the right information and personalize your experience.

Security

We use cookies to enable and support our security features, and to help us detect malicious activity that may result in a data breach and violations to our Privacy Policy.

Preferences, features and services

Cookies can tell us which language you prefer and what your communications preferences are. They can help you fill out forms on GSX Group of companies websites more easily. They also provide you with features, insights, and customized content.

Performance, Analytics and Research

Cookies help us learn how well our site and plugins perform in different locations. We also use cookies to understand, improve, and research products, features, and services, including when you access our websites from other websites, applications, or devices such as your work computer or your mobile device.

Advertising, recommendations, insights and measurement

We, and third-party solution providers, may use cookies to show you relevant advertising both on and off GSX Group Accounts Centre website, also to evaluate our website's advertising and promotional effectiveness, gain insight into the nature of our audience so we can tailor our content and marketing strategy accordingly, as well as to provide interest-based advertising on our websites and on other websites which are tailored to your interests and preferences.

3. WHAT IS DO NOT TRACK (DNT)?

DNT is a concept that has been promoted by regulatory agencies such as the U.S. Federal Trade Commission (FTC), for the Internet industry to develop and implement a mechanism for allowing Internet users to control the tracking of their online activities across websites by using browser settings. The World Wide Web Consortium (W3C) has been working with industry groups, Internet browsers, technology companies, and regulators to develop a DNT technology standard. While some progress has been made, it has been slow. No standard has been adopted to this date. As such, we does not generally respond to "do not track" signals.

4. HOW ARE COOKIES USED FOR ADVERTISING PURPOSES?

Cookies and other ad technology help us understand and improve our service. They also help us provide aggregated auditing, research, and reporting for advertisement purposes, understand and improve our service.

If you are logged in on any of our websites or another service that references this Cookie Policy or browsing a third party partner site of GSX Group Accounts Centre website and one of our cookies on your device identifies you, your usage (such as your browsing behaviour) and log data (such as your IP address), will be associated by us with your account. We also use aggregate data from third parties and data from your profile and website activity.

If you log in/register/subscribe to our newsletter or contact us through our website on a browser, GSX Group may still continue to log your interaction with our services on that browser for up to 30 days in order to generate usage analytics for our services.

Unless you clear these cookies from your browser, we may use this information to:

- provide more relevant, interest-based advertising;
- detect and defend against fraud and other risks to protect users and partners;
- improve our products and service.

5. THIRD-PARTY COOKIES

The cookie table below lists some of the third party cookies on our website. Please note that the names of cookies may change over time. Please also note that third-party website you may be redirect to probably use other third-party cookies. If you want to learn more about third party cookies used in our website, contact us as per your convenience.
